

### REMARKS

In the Office Action of July 1, 2004, the claims of this application have been rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-13 of the applicant's U.S. patent 6,651,810. In response, the applicant submits herewith a Terminal Disclaimer, which the applicant respectfully submits renders the rejection moot. The only other rejections set forth in the Office Action concerned claim 16, which has now been canceled and, hence, these rejections are also moot.

Accordingly, it is respectfully submitted that this application is now in condition for allowance. Favorable reconsideration and passage to issuance are respectfully requested.

Respectfully submitted,
